

Megace in LTC - Does not help weight loss.

[Megace-Incr-Fat-Decr-Musc-JAGS-07-copyDownload](#)

[Megace-Mortality-AJGeRx-07-copyDownload](#)

Megace does not improve weight gain in LTC.

Conclusions: MA treatment of elderly nursing home residents with significant weight loss was associated with a significant increase in all-cause mortality without a significant increase in weight. Randomized, prospective studies of the use of MA in elderly nursing home residents are necessary to more fully evaluate morbidity and mortality associated with this therapy.
